

## COLUMBUS DISPATCH

Edited, Owned and Managed by  
The Dispatch Printing and Pub. Co.

## HON. J. F. FRIERSON DEFEATED.

Hon. John F. Friereson, of this city whose election to the position of Lt.-Governor has been confidently reported by the Jackson correspondents, seems to have been defeated according to the latest reports from Jackson. The Dispatch phoned the Jackson News yesterday afternoon, and it was said that his opponent, Hon. H. H. Casteel was leading him by fifteen hundred votes and only four counties yet to be heard from. Mr. Friereson's friends claimed only one of these counties and his defeat was feared.

In the early stages of the count of the State vote Mr. Friereson's election was confidently predicted. He was running ahead of his opponent by thousands but the late counties gradually pulled his majority down to the point where he was running even with the Bilbo candidate. Then Casteel passed him and has since continued to lead.

The result is a great disappointment to Mr. Friereson's friends at home who had been led to believe that Lowndes county was to have another Lieutenant-Governor.

The pastor will be "Supt. of S. S." in the absence of the regular Superintendent. A Boy Scout Special will be the order of the day 11 A. M. This will probably be a service of unusual interest. The boys will occupy reserved seats, and the message will be of special interest to them as well as those who worship with us regularly. Let there be a complimentary attendance on this occasion.

The evening hour, the last of the union services, will probably be held in the basement of the Church because of the continued wet weather. The pastor of the First Christian Church will bring the message. Let there be a great congregation.

TO REBUILD ARBOR  
AT TABERNACLE.

Subscriptions for the re-building  
of the arbor at the Tabernacle Camp  
Grounds on the Tuscaloosa road ten  
miles east of Columbus, are being  
solicited by a committee from the  
church and the movement is meet-  
ing with fine response.

The committee is composed of Mr.  
M. W. Lawrence and Mr. Glenn  
Henry and all who desire to contri-  
bute to this worthy cause and again  
re-establish the camp meeting cus-  
tom at the grounds are urged to com-  
municate with the committee.

For years and years annual camp  
meetings were held at the Tabernacle  
church and the meetings each year  
were uplifting influences all over  
this entire community. The arbor will  
be erected this fall and will be ready  
for use at the camp meeting in Aug-  
ust of next year.

For three years no camp has been  
held, but this year a protracted meet-  
ing was conducted, and Rev. T. E.  
Gregory of this city assisted in the  
preaching. The church was rebuilt  
last year by popular subscription.

Send in your contribution or see  
one of the members of the committee.  
All contributions will be highly ap-  
preciated by the good people of the  
Tabernacle community and the con-  
tributions will be made a part of the  
permanent records of the church.

The affairs in connection with the

pedite final disposition of the matter.

Local members of the order at a  
recent meeting appointed a commit-

thews, and vested it with full author-  
ity to act.

AS GIVEN BY WEBSTER IS:**

**BANK:** an establishment for the deposit of mon-  
ey; the office where money transactions are con-

**An establishment for the further-  
ance of community enterprises.**

**A place of Safety, of Strength and  
satisfactory dealings**

**An Institution of Service.**

These things and many others, define the char-  
acter and purposes of our bank.

## Hot Weather--Ice Tea.

True economy consists in obtain-  
ing what you want at a fair price;  
there is no economy in buying cheap,  
common stuff, particularly does this  
apply to tea. Golden Gate Teas—all  
varieties—are high grade; full flavor,  
highest quality, packed in flavor-  
tight, moisture-tight cartons, six va-  
rieties, Ceylon, Japan, Oolong, Gun-  
powder, English Breakfast, Black and  
green. All make delicious drinks,  
whether hot or iced.

One pound of Japan tea will make  
80 cups; one pound of Ceylon Tea  
will make 400 cups; both are good;  
either cost to exceed 1-4 of a cent  
per cup. If you have not done so,  
try Ceylon as an iced beverage. You  
will be delighted; it is flavory, rich,  
ure, clean, economical and healthy;  
so try it as a hot drink; its excel-  
lence will surprise you.

We have the sole agency for Col-  
umbus of Golden Gate Teas, Coffees,  
pieces and Flavoring Extracts.
